

Infant Jesus School Song

“In His Name”

by Kathleen MacLean

Refrain:

**Just like the Infant Jesus we are all
children of God. Here in His name we
learn to love and care for one another.**

- 1. Our teachers are models to show us
the way, they are the potters and we
are the clay. We learn Math, Science,
Spelling, English, Art and much
more, all in His name to better the
world.**

Refrain

- 2. He gave us His mother, a gift beyond
worth. We pray to her daily to help
us on earth. She shows us the way to
say “yes” to God’s will. If we open our
hearts we can hear Him still.**

Refrain

- 3. Jesus, we love You. Our hearts now
we bring. Jesus, we love You. In
Your name we sing--**
